ORGANISATION CONTEXT

Sacred Heart Mission (SHM) works with people whose capacity to participate fully in community life is affected by deep, persistent disadvantage and social exclusion. Since opening our doors in 1982, the Mission has been providing a range of innovative, relationship-based service responses which enable people to overcome disadvantage and realise their full potential. As a trauma informed organisation, our shared recognition of the impact of trauma informs and guides all of our interactions with the people who access our services.

SHM is an Equal Opportunity Employer and an Environmental Sustainability driven organisation. We provide equal employment opportunities to all employees without regard to race, colour, religion, gender, national origin, age or disability. We ensure staff and volunteers operate from fit for purpose facilities that adopt green building design and practices.

SHM has a number of staff committees across the organisation committed to championing best practice in these areas. Our EEO groups lead by example to break down the barriers to inclusion and to foster a diverse workplace where people are free from discrimination and disadvantage and are treated with respect and dignity. Our Green team has set targets for developing SHM's environmental profile as a sustainable organisation and as a leader in the sector.

VISION

Our vision is of an inclusive, fair and compassionate community, which enables people to overcome disadvantage and realise their full potential.

MISSION

Our mission is to build people's capacity to participate more fully in community life, by addressing the underlying causes of deep, persistent disadvantage and social exclusion.

We do this by:

- Ensuring access to the necessities of food, clothing, housing, health care and specialised services.
- Listening, understanding and responding to people in a holistic, caring, and respectful way, so they can take control of their lives.
- Delivering accessible, responsive, evidence informed and innovative services.
- Welcoming people in the spirit of social justice, co-operation and partnership to create better communities.
- Engaging sector partners, researchers, philanthropy, business, government and the broader community, to contribute their time, expertise and resources.

PROGRAM INFORMATION

The mission currently operates twelve opportunity shops. The op shops provide almost a third of Sacred Heart Mission's operating income. Various programs are reliant on the op shops as their major source of funding. This level of income is only possible due to the generous donations received from the community and the customers who shop in our stores. The number of op shops and the level of income is expected to grow over the next 10 years.

The role is responsible for meeting budgets, stock management and customer satisfaction, with an emphasis on optimising sales and revenue. The position involves managing and developing staff as well as retaining a committed and supportive team of staff and volunteers.
