Contract Details: Maximum Term Contract until 30 June 2020

Organisational context

Neami National is a community-based recovery and rehabilitation service supporting people living with mental illness and psychiatric disability to improve their health, live independently and pursue a life based on their own strengths, values and goals.

We provide services in over 50 locations, ranging from the inner-city and suburbs to regional and remote parts of Australia.

Our vision is for full citizenship for all people living with a mental illness in Australian society. Our mission is to improve mental health and wellbeing in local communities across the country.

We believe that recovery is an individual process and that with the right kind of support everyone can live a life based on their own strengths, values and goals for the future.

We use an approach called the Collaborative Recovery Model (CRM) to support people through our services. The CRM assists individuals to identify their personal strengths and values, to set goals and then helps them make progress towards achieving them.

We are a smoke free organisation.

Service Overview

Working in partnership with Western Sydney Local Health District, Neami National have committed to establishing a new mental health service in the Western Sydney area. The Housing and Accommodation & Support Initiative will provide community-based support to people living with a mental illness in Western Sydney as well as providing in-reach and transitional support to people leaving acute hospital admissions as part of the HASI service. The program will be overseen by a Service Manager and Senior Practice Leader who will work collaboratively with Neami Senior Leadership to deliver the service.
Position overview

Peer Support Workers are integral members of the team and draw on their lived experience of recovery from mental illness, to instill confidence and hope in others about the journey of recovery. You will work collaboratively in planning and co-facilitating a peer group based on the self-development program known as Flourish. The Peer Support Worker may also assist new consumers in their entry into the service and in providing individual support to consumers focusing on their strengths to achieve identified goals.

At some sites Peer Support Workers facilitate Flourish, a peer facilitated recovery-based self-development program. The program focuses on individual strengths and values in aspiring towards personal goals and self-directed change. At other Neami sites Assertive Outreach Peer Support Workers collaborate with outreach teams to assist people who are homeless to identify and work towards seeking suitable accommodation and address other needs. Whilst the Peer Support Worker role varies slightly from site to site, Peer Support Workers are an important element of the team approach and bring the wisdom of experience to many aspects of service delivery including intake interviews, service promotion, group programs and case reviews. As with other Neami staff, Peer Support Workers have access to a tailored training program and to regular supervision.

The Peer Support Worker will work collaboratively in planning and co-facilitating a peer facilitated group based self-development program known as Flourish.
