AWH VISION	
<i>"The Best of Health."</i>	
AWH VALUES	
<p>Patient and Client focused, ethical, teamwork, Equity, Respect, Compassion, Accountability and Trust.</p> <p><i>Patient and Client Focussed:</i> Our purpose is to serve our patients and clients in order to achieve the Vision and Purpose of Albury Wodonga Health.</p> <p><i>Ethical:</i> Both in our clinical endeavour and our business practices we will be just in all our dealings.</p> <p><i>Teamwork:</i> Esprit de corps, harmony, partnership and unity are valued.</p> <p><i>Respect:</i> Appreciation of the worth of others and regard for their contribution is inherent.</p> <p><i>Trust:</i> Confidence that all are doing their best, honestly and positively.</p> <p><i>Accountability:</i> Understanding that all bear a personal responsibility to our community.</p> <p><i>Compassion:</i> Consideration, empathy and humanity are given freely to our patients and staff alike.</p> <p><i>Equity:</i> Fairness, integrity and justice are apparent in our actions.</p>	
ROLE SUMMARY / PURPOSE	
<p>The Registered Nurse (RN) / Registered Midwife (RM) is a member of the multidisciplinary health care team and utilises the practice of nursing to deliver patient centred care in any practice setting that is in accordance with the NMBA Registered Nurse standards for practice, Albury Wodonga Health (AWH) Nursing Scope of Practice and AWH Nursing Professional Capability Framework.</p>	
KEY RESPONSIBILITIES	

PRIMARY RESPONSIBILITIES:**KPI ~ 1 Clinical Practice:**

- Demonstrates a person and family centred approach to nursing decision making and care planning activities.
- Nursing care delivered is at the highest possible standard, is evidence informed and in accordance with legislation and common law as it applies.
- Effectively and efficiently manages the nursing care of individuals or groups of patients / consumers.
- Responds to clinical changes in patients / consumer's conditions and escalates care in accordance with hospital Policy and Procedures.
- Recognises the responsibility to prevent harm to patients / consumers in care.
- Performs nursing interventions following comprehensive and accurate assessments both on point of entry to the hospital and throughout care and provides appropriate nursing interventions, and communicates with other health care professionals as required.
- Documents and practices in accordance with a plan of care to achieve expected outcomes which are based on an ongoing analysis of assessment data, and is consistent with evidence informed practice and research.
- Evaluates patient / consumer responses to care treatments and medications.
- Collaborates with the interdisciplinary health care team to provide comprehensive nursing care.
- Accurately documents patient / consumer care in accordance with hospital guidelines.
- Applies all principles of health literacy in the provision of patient / consumer education to ensure that patients / consumers have the right information, in the right way to make decisions relating to their care.
- Provide effective and timely direction and supervision to ensure that delegated care is provided accurately and safely.
- Participates in discharge planning.
- Promotes a physical and psychosocial environment that enhances safety, security and optimal health by accepting individuals / groups regardless of race, culture, religion, age, gender, and sexual preference.
- Is responsible for the safe and effective handling of all equipment with regard to the safety of self and others.
- Practice is congruent with infection control principles described in AWH policy and procedures, Department of Health and Human Services (DHHS) / NSW Health, eg: National Practice Standards for the Mental Health Workforce, 2013.

KPI ~ 2 Professional Practice:

- Works professionally in accordance with the AWH Code of Conduct, NMBA Code of Professional conduct for Nurses / Midwives, the NMBA Code of Ethics for Nurses / Midwives and relevant specialty frameworks.
- Recognises own abilities and level of professional competence whilst enhancing the professional development of others.
- Acknowledges, understands and practices within designated scope of practice, as defined by the AWH Matrix for Scope of Practice.
- Meets NMBA Continuing professional development practice standards.
- Achieves AWH Nursing Professional capability framework competencies to the Translation to practice (competent) level across all domains within designated timeframes.
- Actively facilitates the experience and learning of students undertaking clinical placement.
- Adheres to all aspects of confidentiality in regards to patients / consumers, staff and personnel.
- Uses professional standards to promote best practice and acts as a role model for other nurses and members of the health care team.

- Acts to eliminate negative behaviour in the workplace.
- Supports other nurses or health care providers who report unsafe or unprofessional practice and negative workplace behaviour.
- Provides constructive feedback to nurses about their clinical practice and behaviour.
- Reports notifiable conduct of health professionals, health workers and others in accordance with APHRA guidelines.
- Participates in and/or leads collaborative practice.

KPI ~ 3 Continuous Quality Improvement and Risk Management:

- Maintains own health and safety in the workplace and adheres to the AWH Workplace Health and Safety (WHS) policies and procedures.
- Demonstrated understanding of Workplace Health and Safety requirements.
- Participates in and promotes the value of research that contributes to the development of evidence-based nursing / midwifery practice and improved standards of care.
- Actively participates in the development and achievement of the unit's quality and risk plan.
- Is familiar with the National and EQulP standards that pertains to patient / consumer care.
- Demonstrates responsibility in ensuring changes to work practice are measured and reported for improved patient / consumer care.
- Attends and participates in AWH committees and / or working parties when required.
- Ensures incidents regarding clinical practice and environmental safety are accurately documented at the time of the incident in RiskMan and the NUM / delegate is informed.
- Consider the cost and budget implications when using or obtaining consumables in relation to the delivery of patient / consumer care.
- Reviews and provides feedback on the relevance of organisational policies and professional standards procedures to practice.
- Demonstrated understanding and response to AWH emergency codes.

SELECTION CRITERIA

MANDATORY:

- Current Nursing and/or Midwifery Registration with APHRA (Australian Health Practitioners Agency).
- Demonstrates a person and family centred approach to decision making and care planning activities.
- Ability to work as a team member within a multidisciplinary environment.
- Demonstrates an understanding of and the ability to practice within a quality and risk management framework.
- Is able to describe and demonstrate the utilisation of evidence based practice into own practice.
- Understanding of WHS legislation as it relates to employees' responsibilities.
- An ability to describe clinical governance as it pertains to nursing / midwifery.
- The ability to utilise electronic information systems / software used across healthcare settings.

NOTES:

A current National Police Check shall be provided / undertaken prior to appointment.

A Working with Children's Check (as per relevant State legislation) will be required where the role requires working unsupervised with children.

AWH is the principal regional health care provider in the event of disaster and emergency. The occupant of this position understands and acknowledges that he/she may be required to work as assigned if requested to meet the Health Service's responsibilities in the event of a disaster or emergency situation.

- While this position description reflects the current duties and responsibilities, it is not to be interpreted as all inclusive. It may be subject to review from time to time.

PERSONAL ATTRIBUTES / SOFT SKILLS

-

KEY RELATIONSHIPS

REPORTS TO:	The RN / RM reports operationally to the relevant departmental Manager and Operational Director of the relevant service stream. All RN / RM's report professionally to the Director of Nursing and Midwifery (DNM).
SUPERVISES:	The RN / RM is responsible for the delegation of duties to: <ul style="list-style-type: none"> • Enrolled Nurse (EN). • Patient Services Assistant (PSA) / Wardsperson) / Assistants in Nursing (AIN).
OVERALL:	The role of the Registered Nurse (RN) / Registered Midwife (RM) is that of coordination, delegation and leadership of evidence informed person centred nursing care. It is expected that clinical care delivered by the RN / RM will include complex care that requires specialist knowledge, skills and competence. The RN / RM is accountable for their own and the practice of those to whom they delegate duties in accordance with the NMBA Registered Nurse Standards for Practice.

PERFORMANCE APPRAISAL

A review of performance shall be undertaken within six months following commencement and annually thereafter. There is an expectation that staff will assume responsibility for completion of any learning requirements advised by the organisation. This includes all Mandatory Training and Clinical Competencies as required (annually or in accordance with timelines specified in relevant health service policies and procedures).

QUALITY AND RISK MANAGEMENT

In order to help ensure continued employee and patient safety and quality of care:

- Staff are required to participate in the development and maintenance of a quality service through the application of professional standards; participation in quality improvement activities; and compliance with the policies, procedures, practices and organisational goals and objectives of AWH.
- Staff are required to contribute to the development and maintenance of the AWH Risk Management Framework and apply the framework to identify, evaluate and minimise exposure to risk across the organisation.
- **A positive risk culture at AWH is embedded by our belief that everyone has a role in risk. You are encouraged to identify opportunities for improvement and play a role in assisting the organisation to achieve its risk objectives.**
- Staff are required to abide by the Code of Conduct for AWH.

HEALTH AND WELLBEING

The health and wellbeing of employees is a priority for AWH and I recognise the importance of an environment that promotes and nurtures the physical, mental, emotional and social wellbeing of all individuals.

I commit to:

- **Reporting through the Incident Management System any near misses or incidents as they occur.**

- Partaking in the promotion of the health and wellbeing of employees.
- Contributing to an inclusive and health promoting environment.
- Promoting our values and vision.
- An organisational culture that promotes positive mental health and wellbeing through supportive leadership, employee participation and shared decision making.

SCOPE OF AUTHORITY

Employees covered under this Position Description are not permitted to work outside of their designated level of responsibility without express permission from either the Manager or the Line Manager.

CLOSING THE GAP

AWH is committed to enhance our ability to attract and recruit Indigenous people and committed to closing the gap in employment outcomes between Indigenous and non-indigenous people.

CONFIDENTIALITY

Confidentiality is a matter of concern for all persons who have access to personal information about patients, clients, residents or employees of AWH. Staff must understand and accept that in accessing this personal information they hold a position of trust relative to this information. In recognising these responsibilities staff must agree to preserve the confidential nature of this information.

Failure to comply with this agreement may result in disciplinary action and may include termination of employment.

Declaration:

As the incumbent of this position, I acknowledge that I have read the Position Description and Job Demands Checklist, understood its contents and agree to work in accordance with the contents therein. I understand that other duties may be directed from time to time.

I understand and accept that I must comply with the policies and procedures applicable to AWH. I also agree to strictly observe the AWH Code of Conduct and policy on confidentiality of commercial and patient information or such sensitive information that I may come across in the course of my employment.
