B. PROGRAM OVERVIEW

We work mainly in South Western Sydney and Western Sydney with offices in Fairfield East, Carramar and Auburn. The Strong Minds Program is part of the Community Initiatives Team and is funded by the Department of Social Services (DSS) under the Family Mental Health Support Service (FMHSS) program. The three funded locations are within Western and South Western Sydney (SA3). This program offers early intervention support to vulnerable children (birth to 18 years) and their families, who are at risk of or affected by mental illness to address risk factors and strengthen protective factors.

The key aims of the program are to ensure:

- Children and young people have improved mental health and well-being.
- Children and young people are able to better manage the impact of mental illness on their lives
- Families and carers are better able to get support for their children and young people with mental illness; and
- Communities have a better understanding of, and response to, mental health issues that affect children and young people birth to 18 years

The primary objective is to provide flexible and responsive services to address the social and environmental factors that lead to; or exacerbate mental health conditions for children and young people when the signs or symptoms of poor mental health first appear. This will involve a focus upon three areas of service: Intensive Long-term support, Short-Term Support and Community education/outreach.

C. JOB PURPOSE

The primary objective is to provide early intervention support to vulnerable children, young people (birth to 18 years) and their families, at risk of or affected by mental illness. The role aims to provide opportunities for them to reach their potential, through practical assistance, non-clinical support, education and information services in a casework/groupwork model.
D RELATIONSHIPS

In order to ensure best practice and quality service delivery is provided within Woodville Alliance (WA), the Community Initiatives Team (CIT) and the Strong Minds team, this position must develop and maintain internal and external networks and relationships. These may include:

- Work closely with the Strong Minds Team Leader and the Strong Minds Manager, Community Initiatives team to ensure the program is effectively delivered and continuously improved
- Work with others within WA and CIT to promote collaboration and ensure the delivery of quality services to clients
- Work with families, children and young people and the other services who may be supporting them to ensure a co-ordinated client centred approach to case planning and achievement of client goals
- Connecting with other workers focused upon early intervention and mental health programs from other service providers (government & non-government);
- Liaising and collaborating with other organisations such as local schools; local councils, Centrelink, child protection agencies, headspace, other mental health professionals and housing providers.
- Participation in relevant local community events to promote the Strong Minds program and to connect with residents
- Participation in relevant sector forums such as interagency.
