

## Board Member Vacancies

***Are you passionate about combating street harassment and looking for a new challenge?***

It's Not A Compliment is looking for new members to join our Board of Directors. You will be joining the team at an exciting time as we start the journey towards incorporating It's Not A Compliment and use your skills to help shape our work and strategy in the months to come.

It's Not A Compliment is a Melbourne-based campaign looking to combat street harassment by combating its normalisation, disrupting common narratives surrounding it and advocating for more policy action from our government. Our goal is to create a world where vulnerable communities no longer have to place limitations on their behaviours in order to feel safe when out in public. For further information on the campaign, head to [www.itsnotacompliment.com](http://www.itsnotacompliment.com).

As a volunteer board member, you will join a dynamic team with varied skills and experiences working together to oversee and support It's Not A Compliment's work in fighting for the rights of all individuals to enjoy public spaces free of harassment. You will be expected to attend monthly board meetings, provide guidance in ensuring we meet our mission and goals while contributing to the sustainability of the campaign.

It's Not A Compliment is seeking to recruit board members who will enhance the campaign's work through their diversity. We are particularly interested in hearing from people who:

- Have experience in strategic leadership;
- Have a background in fundraising for not-for-profits; or
- Have a law background, particularly within the not-for-profit sector; or
- Have accounting experience, ideally within the not-for-profit sector.

As part of the Board, you will be provided with the space to grow and learn from our team and be part of shaping a campaign that is working daily to achieve street justice for all.

To apply, please send your CV and cover letter to [itsnotacomplimentmelbourne@gmail.com](mailto:itsnotacomplimentmelbourne@gmail.com) with the subject line: Board Member applications by the **25th of July 2020**. We look forward to hearing from you!
