OzChild

Founded in 1851, OzChild support vulnerable children and young people by providing healing, preventing abuse and neglect, and strengthening families.

It is our goal to see that all children and young people are safe, respected, and nurtured, and reach their full potential.

Child Safety

We are committed to protecting children and young people from all forms of abuse, bullying, exploitation and neglect, and to creating environments in all our programs and services where children are safe and feel safe.

We are committed to listening to children and addressing any concerns they raise with us. OzChild will treat all allegations of child abuse very seriously. We will report all allegations in compliance with incident reporting, mandatory reporting and reportable conduct requirements.

All OzChild People are required to support this commitment to child safety, and to behave appropriately towards children at all times.

Role Purpose Summary

The purpose of this position is to provide support to organisational data management functions. This includes supporting organisational staff and leadership to develop and enhance systems and processes around data collection, use and integrity.

In doing so, the position will support the OzChild Way behaviours and accountabilities as follows:

- **We deliver evidence-based services:** Utilise your professional knowledge and skills to monitor, review, develop and maintain policy, procedure, practices and guidelines that supports the accurate and timely completion of processes and reporting to support our Service Delivery and Program Teams.

- **Our customers determine our success:** Support and continually develop and enhance networks within OzChild and the capability of our Service Delivery and Program Teams to support the effective delivery of high quality services to children and young people, their families and to carers/volunteers.
- **We deliver innovative solutions:** Engage others in the development of functional plans, tactics and activities to support innovation in services and achieve the desired outcomes articulated in the OzChild Strategic Plan.
- **We set each other up for success:** Support collaboration with internal and external stakeholders and directly support your team and the Service Delivery and Program Teams by providing the necessary guidance, development, and tools for people to achieve success in their roles.
- **I learn, adapt, grow, and embrace my cultural competence:** Demonstrate a willingness and energy for personal learning, adapt to and embrace change, and develop your cultural competence.

Position Specific Responsibilities

- Extract and integrate data from various sources and support stakeholders to access this data
