About Canteen

We get it. Just when life should be full of possibilities, cancer crashes into a young person's world and shatters everything.

We help young people cope with cancer in their family. Through Canteen, they learn to explore and deal with their feelings about cancer, connect with other young people in the same boat and if they've been diagnosed themselves, we provide specialist, youth-specific treatment teams.

No matter which role you are in, working for Canteen is a chance to support young people rebuilding the foundations that crumbled beneath them when cancer turned their world upside down.

Life at Canteen

Canteen is one of the most highly regarded not for profits in Australia (4th in fact) with one of the most recognisable brands across the country (who doesn't know about the bandanna!).

Working for Canteen is an inspiring, rewarding and purposeful experience that really enables you to be at your best. Canteen has a passion for all things people, and as well as a range of benefits including a tax-effective salary packaging scheme, mobile phones and an in-house leadership program, we are continually working on ways to make Canteen an even better place to work. We have a culture we are proud of and want to find more people who share our commitment, enthusiasm and passion!

Through our regular staff engagement surveys, we know that Canteen is fortunate to have one of the most passionate and committed workforces in Australia!
