About the Organisation

Drug Awareness Rehabilitation and Management (Drug ARM) is a not for profit organisation committed to reducing harms associated with alcohol and other drug use. Drug ARM has been a specialist provider of alcohol and other drug services since 1980 and currently operates throughout Queensland, New South Wales and South Australia.

Our vision of flourishing peoples and communities living free from the harms of alcohol and other drugs is achieved through our commitment to delivering the highest standard of awareness, rehabilitation and management solutions.

Accountability

To: The Drug ARM Executive Director (ED) or nominee

By: Providing verbal and written reports on a monthly basis, or as otherwise required;

For: The effective and efficient delivery of roles and responsibilities in line with the policies, procedures and practice frameworks, defined outcomes and the position description.

Background

Queensland Corrections Service is funding Drug ARM to deliver the provision of substance misuse group programs, including relapse prevention, brief interventions and service solutions for persons in custody or under community supervision to address substance use and related issues. The delivery locations will include Probation and Parole District Offices and permanent reporting Centres across Queensland as well as government operated correctional centres.

Program Overview

The Case worker primary role will be group facilitation and they will co-facilitate a range of psycho-education group sessions to persons in custody or under community supervision to address substance use and related issues. The groups will consist of, short and low intensity groups, moderate intensity groups, and high intensity group programs. They will be required to conduct an initial engagement with program participants to assist to development of rapport and individual outcomes for the participant. The worker will carry out a pre-enrolment interview and have the participant sign a consent form in relation to engaging in the intervention and their level of participation, and also conduct pre and post testing. The pre and post testing will align to the intensity of the program being offered. Pre and post testing's will be conducted with participants to gauge their level of knowledge regarding program content and for short, low and moderate programs, and higher intensity programs completing a psychological assessment as required.

Position Overview

The **Case Worker** will be responsible to operate within the framework and principles of harm minimisation as articulated in *National Drug Strategy 2017-2026*, the National Aboriginal and Torres Strait Islander Peoples' Drug Strategy (2014-19) and the Queensland Alcohol and Other Drug Treatment Service Delivery Framework 2015 (and subsequent revisions of these documents)

The case worker will;

- recognise the spectrum of substance use and stages of change
- work with clients across all stages of substance use
- respond to the full range of psychoactive substances available (including alcohol, tobacco, licit and illicit drug use, pharmaceutical drug misuse, emerging synthetics, poly drug use)
- consider the support needs of the client and their family, including dependent children.
- respond to the method of use and associated risk factors, in recognition of the fact that drug use trends change rapidly
- flexibly meet clients' and needs varying including ways to maximise participation such as outreach, and hours of operation.

Core components of the role will include engagement and pre and post testing assessment, group dynamics and facilitation, a knowledge of brief interventions, counselling using endorsed therapeutic approaches, harm reduction education and information, and possible referral options to other services.

Requirements of the Position

1. Deliver psychoeducation group facilitation to persons in custody or under community supervision to address substance use and related issues.
2. An understanding of group dynamics, group facilitation and the delivery of alcohol and other drug psychoeducation in group settings.
3. An understanding of Motivational Interviewing and the Stages of Change model and relapse prevention strategies.
4. Provide pre and post testing sessions to identify goals and psychosocial issues, discharge/post treatment
5. To ensure the service are delivered across a range of venues including Correctional Centres and Probation and Parole District offices.
6. Work collaboratively with correctional centre staff and other relevant agencies.
7. Other duties as required from time to time to enhance services

Pre-requisites for the Position

Qualification and Experience

- Undergraduate qualifications in health/human services; minimum two (2) years' experience in the sector; and membership with a relevant professional body **OR**
- Achievement of/be working towards a relevant undergraduate qualification with experience in delivering alcohol and other drug services; *OR*
- Certificate or Diploma level qualifications with strong experience in delivering AOD services: **OR**
- No qualifications but intensive experience in delivering AOD services.

Staff will be required to have membership with a relevant professional body (or be working towards) and be a holder of a **current Blue Card**

Staff will be required to undergo a Criminal History Check conducted by Queensland Police and will also be required to complete Correctional Centres Criminal History Disclosure and Consent form. A **QCS ID** card will be required prior to staff accessing correctional facilities.
