About the Organisation

Drug Awareness Rehabilitation and Management (Drug ARM) is a not for profit organisation committed to reducing harms associated with alcohol and other drug use. Drug ARM has been a specialist provider of alcohol and other drug services since 1980 and currently operates throughout Queensland, New South Wales and South Australia.

Our vision of flourishing peoples and communities living free from the harms of alcohol and other drugs is achieved through our commitment to delivering the highest standard of awareness, rehabilitation and management solutions.

Accountability

- To:** The Drug ARM Executive Director (ED) or nominee
- By:** Providing verbal and written reports on a monthly basis, or as otherwise required;
- For:** The effective and efficient delivery of roles and responsibilities in line with the policies, procedures and practice frameworks, defined outcomes and the position description.

Background

Queensland Health is funding Drug ARM to deliver a specialised alcohol and other drug psychosocial service to Aboriginal and/or Torres Strait Islander adults (18 years and over) with complex/high needs and who are experiencing problematic alcohol and other drug use. The new service will compliment Drug ARM's large range of existing services and will represent a program with positions in rural and regional locations across the state.

Position Overview

The **Clinical worker** will be responsible to operate within the framework and principles of harm minimisation as articulated in *National Drug Strategy 2017-2026*, the National Aboriginal and Torres Strait Islander Peoples' Drug Strategy (2014-19) and the Queensland Alcohol and Other Drug Treatment Service Delivery Framework 2015 (and subsequent revisions of these documents)

The clinical worker will;

- recognise the spectrum of substance use and stages of change
- work with clients across all stages of substance use
- respond to the full range of psychoactive substances available (including alcohol, tobacco, licit and illicit drug use, pharmaceutical drug misuse, emerging synthetics, poly drug use)
- consider the support needs of the client and their family, including dependent children.

- respond to the method of use and associated risk factors, in recognition of the fact that drug use trends change rapidly
- flexibly meet clients' and needs varying including ways to maximise participation such as outreach, and hours of operation.

Core components of the role will include intake, screening and assessment, treatment planning, brief interventions, counselling using endorsed therapeutic approaches, harm reduction education and information, referral to other services, discharge planning and post-treatment support. Counselling may include group and individual sessions.

Requirements

1. Deliver culturally appropriate out client psychosocial interventions to, Aboriginal and/or Torres Strait Islander adults aged over 18 years with complex/high needs, additional to moderate to severe alcohol and other drug use.
2. Maintain an effective promotion and engagement strategy with local community and ensure services are accessed by residents in the area who are over 18 years old.
3. Provide counselling sessions to identify goals and psychosocial issues, discharge/post treatment (relapse prevention) Counselling may include group facilitation
4. To ensure the service is delivered across a range of hours including before, during and outside standard work hours.
5. Provide access to the service across a range of hours including, during and outside standard work hours, and while based in Rockhampton provide out client opportunities to Woorabinda.
6. Work with other relevant service providers and agencies as indicated in treatment planning.
7. Adapt to local needs and sector changes including those related to changing needs of clients and the community and/or innovation in service models.
8. Other duties as required from time to time to enhance services
