

<b>JOB TITLE</b> Maternal and Child Health Family Support Worker	<b>CLASSIFICATION</b> Band 5	<b>REPORTS TO</b> Maternal and Child Health Coordinator
---	---------------------------------	--

**WHAT WE TRUST YOU TO DELIVER**

- » Work collaboratively with both internal and external service providers to deliver generalist outreach support, referral and advocacy to vulnerable and at risk families and children who live in the City of Stonnington area with a prevention and early intervention focus family strengthening initiatives, sleep and settling support and community connectedness
- » Provide case management support particularly to those vulnerable families and children heavily impacted by COVID.
- » Provide information and support to vulnerable families to address barriers to their children's health and development.
- » Build the capacity of parents/carers of children to access other services, supports and/or programs.
- » Develop and maintain positive working relationships with key stakeholders within the relevant sectors (such as health services, children services, education and housing/ homelessness) to support vulnerable children and families.
- » Collect, collate and analyse client and program data; and provide reports as required.

**WHAT YOU'LL NEED TO THRIVE**

- » Demonstrated experience providing generalist support to vulnerable and at risk children 0-6 years and families using family centred, strengths based, trauma informed and/or family violence frameworks.
- » Demonstrated case management experience working with vulnerable and at risk children and families including undertaking risk assessments and planning appropriate intervention strategies
- » Knowledge of working with vulnerable communities and the local service sector.
- » Strong interpersonal and communication skills relating to working in partnerships and building strong networks for the benefit of families.
- » Ability to work autonomously (demonstrated trustworthiness and initiative), and also as part of a team including role modelling, and skill and capacity building (collaborative practice and shared success).
- » Tertiary qualifications in social sciences ideally Social Work, Human Services, Family Support or Early Childhood or similar with 3-4 years' experience in case management / family support.
- » Knowledge of the Victorian Maternal and Child health Program.

**WHAT WE'LL DO TO SUPPORT YOU**

- » Provide a safe and welcoming environment where you will be encouraged to innovate and embed new ways of working.
- » Deliver opportunity for genuine engagement and collaboration across all levels of the business.
- » Provide opportunities to share ideas and make a positive difference across the organisation.
