Organisational context

Neami National is a community-based recovery and rehabilitation service supporting people living with mental illness and psychiatric disability to improve their health, live independently and pursue a life based on their own strengths, values and goals.

We provide services in more than 50 locations, ranging from the inner-city and suburbs to regional and remote parts of Australia.

Our vision is for full citizenship for all people living with a mental illness in Australian society. Our mission is to improve mental health and wellbeing in local communities across the country.

We believe that recovery is an individual process and that with the right kind of support everyone can live a life based on their own strengths, values and goals for the future.

We use an approach called the Collaborative Recovery Model (CRM) to support people through our services. The CRM assists individuals to identify their personal strengths and values, to set goals and then helps them make progress towards achieving them.

As an organisation based strongly on our mission, vision and values, Neami is committed to demonstrating the highest standards of safety and quality across all of our services. Neami views quality, safety and clinical governance activities as key components of the role and responsibilities of all staff and an essential process in the provision of safe and high quality support services to consumers.

We are a smoke free organisation.

Program Overview

Neami National has been commissioned by the Central and Eastern Sydney PHN (CESPHN) to deliver The Way Back Support Service (TWBSS) this is Beyond Blue initiative, providing one-on-one suicide after care coordination and support to people following a suicide attempt or crisis, after discharge from emergency departments, acute settings or admission to hospital.
