

Seaside Scavenge: In a Nutshell

Seaside
Scavenge

Vision

A world where waste
is a resource.

Mission

To activate local communities
to reimagine waste as a
resource through fun and unique
programs that ultimately
cleanup the ocean.

Since 2015

84 Scavenge Events:

- 8,476 participants
- 14,052 kg of litter removed from waterways & parks
- 221,789 butts picked-up from waterways & parks
- 10,862 kg of clothing donated by community
- 556 take-away businesses introduced to plastic-free practices
- 301 community groups supported and showcased

Programs

1. Scavenge Events

where trash
becomes cash

2. Spring into Scavenge

program mentoring
passionate people to
become the pillars for waste
education locally

3. Looped Festival

is Australia's first public
facing circular economy event
hosted by Seaside Scavenge.
