### **OzChild**

---

Founded in 1851, OzChild support vulnerable children and young people by providing healing, preventing abuse and neglect, and strengthening families.

It is our goal to see that all children and young people are safe, respected, and nurtured, and reach their full potential.

### **Child Safety**

---

We are committed to protecting children and young people from all forms of abuse, bullying, exploitation and neglect, and to creating environments in all our programs and services where children are safe and feel safe.

We are committed to listening to children and addressing any concerns they raise with us. OzChild will treat all allegations of child abuse very seriously. We will report all allegations in compliance with incident reporting, mandatory reporting and reportable conduct requirements.

All OzChild People are required to support this commitment to child safety, and to behave appropriately towards children at all times.

### **Role Purpose Summary**

---

Treatment Foster Care Oregon for Children (TFCO-C) is an evidence-based treatment program that supports and treats children with significant behavioral challenges. TFCO provides a high level of support and intervention to children and young people in a more natural setting - the home of an approved Foster Carer. The TFCO model contains several components such as: training and support for the foster carer/s, family therapy for the child young person's parent/aftercare placement; skills training for the child or young person; education support and case management and consultation.

An individualised treatment plan is developed for each child or young person in the program with goals that focus on improving the child's emotional and behavioral functioning; promoting positive educational outcomes; and building strong family relationships. A child's goals are met through close supervision, fair and consistent limits, predictable consequences, and supportive relationships with mentoring adults.

The Foster Care Recruiter and Trainer holds a critical role in the TFCO Model with a focus on carer recruitment and assessment, strengthening the benefit of the model to children and young people entering the program.

In doing so, the position will support the OzChild Way behaviours and accountabilities as follows:

- **We deliver evidence-based services:** Utilise your professional knowledge and skills to monitor, review, develop and maintain policy, procedure, practices and guidelines that supports the accurate and timely completion of processes and reporting to support our Service Delivery and Program Teams.
- **Our customers determine our success:** Support and continually develop and enhance networks within OzChild and the capability of our Service Delivery and Program Teams to support the effective delivery of high quality services to children and young people, their families and to carers/volunteers.
- **We deliver innovative solutions:** Engage others in the development of functional plans, tactics and activities to support innovation in services and achieve the desired outcomes articulated in the OzChild Strategic Plan.
- **We set each other up for success:** Support collaboration with internal and external stakeholders and directly support your team and the Service Delivery and Program Teams by providing the necessary guidance, development, and tools for people to achieve success in their roles.
- **I learn, adapt, grow, and embrace my cultural competence:** Demonstrate a willingness and energy for personal learning, adapt to and embrace change, and develop your cultural competence.
