2 – ABOUT US

CBCHS is a for-cause, not-for-profit organisation providing a wide range of allied health, dental, child development, disability and aged care services to more than 15,000 clients every year in and around the City of Kingston. Many of our clients are differently abled, socially isolated, financially disadvantaged or exposed to other socio-economic vulnerabilities. Our head office is in Parkdale with programs and services also offered at Chelsea, Clarinda, Mentone, Cheltenham, Clayton and Edithvale.

We are a values driven organisation with a reputation for service innovation and quality. We are a flexible and inclusive employer that values and supports workforce diversity. We strongly support equal opportunity and encourage applications from all people including Aboriginal and Torres Strait Islander communities, those with culturally and linguistically diverse backgrounds, the LGBTIQ community, and people with a disability.

Please visit our website for more information <u>www.cbchs.org.au</u>

3 - POSITION PURPOSE

Working as a member of the Adult Alcohol and Other Drug (AOD) services, this position will provide high quality, effective and efficient counselling services. This includes assessment, a range of interventions, for long term recovery focussing on problematic substance abuse as well as promoting health, wellbeing and social connectedness to achieve client goals and outcomes.

4 – KEY RESPONSIBILITIES

Clinical / Professional - Drug and Alcohol Counselling Service

- Provide comprehensive AOD assessment and therapeutic interventions to people presenting with substance use and co-occurring mental ill health issues within a harm minimisation framework;
- Provide individual counselling utilising motivational interviewing as an overarching framework of practice with a focus on CBT interventions that target behaviour change;

Page 1 of 5

Template Version: 20190601

- Provide high quality services to clients and their families, using best practice principles including Family Inclusive Practice and Dual Diagnosis Principles;
- Develop and review regularly treatment plans to meet the individual and monitor the effectiveness of outcomes and report at client management meetings;
- Ensure that clients have exit and post treatment support plans in place;
- Facilitate group work as required to respond to the needs of the client group;
- Work in accordance with individual performance targets achieving Drug Treatment Activity Units (DTAU's) and report using the services reporting systems;
- Assess clients for referral to specialised services as appropriate in consultation with team members;
- Provide support to students and volunteers within the team as directed by the Manager;
- Develop and maintain community support networks;
- Liaise with other relevant service providers, for referral, consultation, discharge planning, monitoring and review;
- Develop programs and interventions to address the needs of the client group;
- Develop and maintain knowledge of the relevant programs and services within the scope of role.

Measurement and Reporting

- Manage client case ratios effectively to ensure that caseloads are met and reported;
- Meet the target of DTAU's per annum;
- Contribute to the effective functioning of the service by ensuring that accurate and appropriate documentation of client information, statistics and educational material is maintained. This includes maintaining relevant databases including Trakcare;
- Maintain accurate medical and statistical records in accordance with CBCHS policy and procedures.

Team Responsibility

- Effective representation and participation in designated team meetings, case reviews, supervision and client care meetings as requested;
- Actively participate and contribute to the ongoing development of effective working relationships with internal and external stakeholders;
- Represent CBCHS Counselling Service both within the organisation and in the surrounding community;
- Effective liaison with other community services and professional staff to promote cooperative professional relationships that ensure optimal client care;
- Identify, develop, implement and evaluate quality improvement activities in relation to team and organisational initiatives;
- Participate in projects and initiatives as required;
- Other duties as directed.

5 – ORGANISATIONAL VALUES

CBCHS is committed to achieving its Vision of better health, wellbeing and support for our communities. CBCHS staff are required to uphold the core values of:

Respect

For each individual, families and for the diverse cultures within our communities.

Page 2 of 5

Template Version: 20190601

Empowerment

As a cornerstone of how we work; we acknowledge the potential of each person and promote client participation and contribution.

Collaboration

With each other and with members of the community and colleagues from other organisations. We recognise that together we can achieve better outcomes.

Quality

In all aspects of our work. Our practice is evidence based and we continually strive to achieve excellence in all of our programs and services.

Transparency

In how we operate, particularly in how we make decisions and communicate.

6 - ORGANISATIONAL RESPONSIBLITIES

All employees are required to participate in organisational initiatives, including OHS, HR, Risk, Quality, Facilities & Learning and Development.

OHS

Ensure requirements of the Occupational Health and Safety Act 2004 are followed. This includes ensuring work is undertaken safely, injuries, accidents, near misses and potential hazards are reported immediately, and as required employees participate in or support consultative structures including the OHS Committee.

Continuous Quality Improvement

Participate in the established quality and safety systems to ensure that safe high quality care is provided to all clients at all times. This includes assisting CBCHS to maintain quality accreditation standards by identifying and participating in the development and implementation of quality improvement initiatives.

Duty of Care

Take reasonable steps to protect themselves, their colleagues and clients from injury or harm. This includes ensuring that adequate supervision/support is provided to all clients.

Code of Conduct

Familiarise themselves with and abide by the CBCHS Code of Conduct and ensure that their actions are in accordance with the CBCHS values and organisation policies and procedures.

Community Participation

Assist CBCHS to promote awareness to the community that consumer, carer, and community participation at all levels of the organisation is encouraged. This includes encouraging community participation in surveys, focus groups and committees as required. Additionally, Primary Health employees must contribute as relevant to CBCHS health promotion plan by working collaboratively with other health professionals.
