

Human Resources Officer

Alice Springs with periodic travel to APY Lands

Qualified and/or Experienced Aboriginal and Torres Strait Islander People are Strongly Encouraged to Apply.

- **Salary Range circa \$65,000 to \$70,000 per annum (inc. leave loading) plus super and remote salary sacrifice options. Level 3 SCHADS Award. Salary level depends on qualifications and experience.**
- **Permanent full time role - 38 hpw**
- **Six weeks annual leave plus 5 days mandated breaks**
- **Support for relocation**
- **\$500 annual wellbeing payment (not cumulative) per annum**
- **COVID-19 flexible working arrangements may apply**
- **Some travel to APY Lands required**

About the Job

This newly created position will bring HR services in-house to support MMT's recent growth to its current team of approx. 20 staff. Additional growth is expected over the next 5 years as our programs expand into new areas.

The Human Resources Advisor will support team performance and a positive and productive culture by working with managers, employees and, as appropriate, volunteers, to co-ordinate and administer various aspects of the employee 'life cycle'.

The Human Resources Advisor will review existing and develop new HR related systems and processes that are fit for purpose for an organisation of this size and complexity; and deliver services and support in regards to HR matters internally. While external expertise will be available for complex issues and advice, you will need sufficient capability to operate independently for the majority of HR matters.

Your responsibilities will include co-ordinating end to end recruitment, induction and HR and WHS administration; managing induction and compliance training; and promoting excellent performance through simple, effective performance monitoring and feedback processes.

You will be an active participant in a positive workplace culture and a driver of internal and external communications and publications; as well as monitoring compliance to legislative and other requirements.

This is a great opportunity for an early to mid-career HR person with an interest in community services.

About MoneyMob Talkabout

MoneyMob Talkabout is a not-for-profit organisation providing a range of programs in the APY Lands in northern South Australia. We have offices in the communities of Ernabella (Pukatja) and Mimili, and provide outreach services to other APY communities and Oodnadatta. Please see our website for further details www.moneymob.org.au

MoneyMob is committed to Indigenous employment and a culturally competent workplace. We encourage qualified Aboriginal and Torres Strait Islander applicants to apply for all levels of roles.

MoneyMob Talkabout History & Overview

MoneyMob Talkabout receives funding from a variety of different sources: the Department of Social Services (Commonwealth), the Department of Human Services (Commonwealth), the Department of Human Services (SA), the Department of Planning, Transport and Infrastructure (SA) and Good Shepherd Microfinance.

MMT began as a touring financial literacy program in regional and remote Northern Territory and WA communities in mid 2010, engaging communities and connecting people to other financial support programs such as money management and financial counselling. Since 2012, MoneyMob Talkabout has run an integrated financial wellbeing service in the APY Lands, which includes services such as financial counselling, capability, no-interest loans, licensing and registration and Centrelink agency.

We also run the Mimili Family Wellbeing Centre, under subcontract from the Department of Human Services SA.

Vision, Values and Philosophy

Our vision is that 'Aboriginal people and communities are empowered to achieve economic wellbeing and self-determination'.

Our focus is 'Aboriginal people are equal partners in and co-creators of our practice. We advocate, influence, deliver services, build and share knowledge to tackle inequality'.

Our values guide all aspects of our work including our service delivery, advocacy, governance and management. They are:

Courage: We are committed to advocating strongly for change and confronting injustices.

Empowerment: We work to support Aboriginal and Torres Strait Islander people to exercise their agency in their ongoing struggle for autonomy, rights, opportunities and recognition of the inherent value of their culture and communities.

Integrity: Honesty, openness, accountability, fairness and inclusiveness must be at the core of everything we do and are.

Insight: We take reasoned action grounded in our organisational knowledge, evidence and ethics; the wisdom of the people, organisations and communities working alongside us; current thinking and research about what works nationally and internationally.

Innovation: We are an enterprising and agile organisation, motivated to continually improve, adapt and develop inventive solutions that create value and are valued by people.

The MoneyMob Talkabout program takes a strong community development approach; to the extent possible, we prioritise local employment. Our primary task is to assist people to achieve independence in their financial management so they do not become reliant on an outside service provider for their livelihood. We recognise people's diverse strengths and inherent dignity as human beings. We also emphasise two-way learning, where our staff (are expected to) learn as much from community as community learns from them. All non-local staff are expected to make efforts to acquire local language skills.

For our non-local staff, it is important that we maintain a critical awareness of our position of power with

relation to Aboriginal communities. We come from the dominant colonizing culture, and we are bringing cultural ideas and practices that are still relatively new – and in some cases unwelcome - overlay on Aboriginal culture. There are also power imbalances within the community, and we need to be alert to these when working with clients to ensure that we are not unwittingly making their situation worse.

Geographic Context

The APY Lands cover an area in excess of 100,000 square kilometres from the Stuart Highway to the Western Australian border. The APY Lands are extremely remote, with the nearest major town being five to six hours away in Alice Springs. The resident population is estimated to be 2,500 people spread across a number of communities and homelands. The population is very young in comparison with the Australian average, and is recognised as having high levels of socio-economic disadvantage.

Social Context

Community members are collectively known as Anangu, and may have family links into the Ngaanyatjatjara Lands in Western Australia, as well as Coober Pedy, Port Augusta, Adelaide and Alice Springs. Predominant languages spoken are Pitjantjatjara and Yankunytjatjara, as well as varying levels of English.

Aboriginal people have a short history with money. During this time they have survived the days of missions and being paid in rations, stolen wages and being treated as though they are incapable of learning about and managing money. They regularly contend with scammers, unethical traders and practices in their communities and interactions with the broader society. They experience disproportionate rates of penalties for non-compliance with Centrelink rules. They lack access to basic financial services such as banking. They are some of the most economically disadvantaged and financially excluded people in Australia, and this contributes to high rates of chronic health and other social problems. Yet they continue to survive, celebrate and practice language and culture.

MoneyMob is a busy service. We work in a high-pressure, high volume and unpredictable environment where client numbers can vary and clients can sometimes be angry or aggressive for a variety of reasons. Clients generally do not adhere to structured appointment times or rigid case management frameworks, but rather will drop in according to their own imperatives. Staff must therefore be proficient at managing their own times and caseloads and be flexible to undertake assertive outreach when safe and necessary. MoneyMob also understands the difficult conditions that staff work under and provides extra leave, wellbeing benefits and external supervision to support the staff in their work.

Position Adaptation for COVID-19 restrictions in NT and APY Lands

COVID-19 restrictions on travel both into and within the NT and the APY Lands may require adaptation of this role for the duration of any COVID-19-related restrictions. As a result, the successful candidate may be required to work remotely from home, undertake selected duties/projects as required until restrictions are lifted to allow for full duties of the role to be done, and if relevant may be required to work reduced hours. Flexibility and cooperation between MoneyMob Talkabout and the successful candidate will be required during any such period.
