### Position Objective:

An exciting opportunity exists to join the Big Group Hug Team. The Manager, Fundraising & Communications provides leadership and strategic direction across marketing and communications, strategic partnerships, fundraising and bequests as well as being very hands on to drive the program.

The Manager Fundraising & Communications will develop and implement donor engagement strategies and fundraising activities for all donor segments, including appeals, acquisition, retention, stewardship and identifying and cultivating major donors and bequests.

Reporting to the Executive Directors, the successful person will have proven success collaborating across an organisation to make a mission driven impact. You will be a self-starter, with the drive, vision, and networking ability to build new income streams from scratch.

### Key Responsibilities:

The role is responsible for developing and executing our Fundraising Strategy to drive the long-term sustainability of Big Group Hug.

- Create an annual fundraising plan to set 3-year fundraising goals across multiple income streams that include corporate partnership income, fundraising appeals, regular giving, trust and foundations, major gifts, community fundraising, and volunteering
- Identify, acquire, cultivate, and steward donors across all levels of giving including individual and philanthropic bodies, securing major gifts from prospects and existing donors;
- Focus on developing deep corporate partnerships with a range of large-scale corporates
- Create communications and marketing materials necessary to support the fundraising plan, as well as regular communications to new and existing donors
- Oversee the donor database, its development and functionality to support the donor journey
- Attend and speak at industry events to engage donors and develop relationships
- Work with the Executive Directors to develop and implement appropriate impact measurement activities for fundraising, and track data and develop reports communicating results as required

### **Key Selection Criteria**
