- providing all permanent staff with a wellbeing budget that you can use for the gym, new surfboard, pottery class, ukulele lessons... almost whatever you need to help keep you feeling good
- providing ongoing professional training and wellbeing sessions
- structured internal and external mentoring
- wellbeing leave - your personal leave doesn't just have to be for sick days, at batyr you can also use this leave to support your mental health and wellbeing
- mid-year and start-of-year retreats
- flexible working arrangements

We believe that everyone's voice is valid and worthy of being heard and because of this we strongly encourage people from all backgrounds to apply, especially those from minority or marginalised communities.

about you

You love to immerse yourself in uni life, and get amongst it to help create events and activations that get students pumped. You know how to connect with people, and love supporting the people around you to succeed. You're super organised, have a brain for planning and logistics, and take a positive approach to solving problems. Mostly, you want to make sure everyone gets around having positive conversations about mental health, and make the students at UniSA feel part of the batyr herd!

As with all of our employees, you will have an active interest in tackling the stigma in young people around mental health, and are aligned to batyr's five values; empathy, inclusive, balance, positive and bold.
