PARTNER ORGANISATION OVERVIEW

The Nadi Center for Special Education is located in the Western side of Fiji dedicated to address the needs of children with disability and their families since the 1960's. It operates with the intent to, provide essential detection and intervention services through a multidisciplinary, family centred approach, build independence, facilitate inclusion to mainstream and advocate to promote and protect the rights of children with disabilities.

Teach vocational skills, computer training, speech therapy, physiotherapy, music therapy, singing, dancing, arts & crafts, physical education in special needs schools in and around Nadi. The school are staffed by primary trained teachers. However, as they teach and interact with the students on a daily basis, their confidence and competence increases and this is supported by ongoing professional development workshops and training organized by the Special & Inclusive Education Unit.
