We use our experience to inform our policy, law reform and education work.

WLSV provides legal services within a multi-disciplinary and trauma-informed practice in family law, family violence and child protection. Our model incorporates social work and financial counselling to provide wrap-around support to the most vulnerable and at-risk clients.

Our culture

We are passionate, collaborative and solution-focused. We are committed to our mission to build a gender equitable country. We work alongside women experiencing disadvantage, to promote their rights to live free from violence, and make informed choices about their relationships.

We work in a way that is woman-focussed, engaging and supporting the whole person and appreciating the complexity of her situation.

It is through a feminist lens that we deliver high quality services to our clients and support each other as colleagues.

About our Legal and Policy teams

Our Legal and Policy teams comprise lawyers, policy managers, social workers, financial counsellors and administrators. We provide legal advice and ongoing representation, together with wraparound supports, to women experiencing significant disadvantage in the areas of family law, family violence, child protection and victims of crime assistance.
