

EAP Providers – Regional New South Wales

Psychologists, Social Workers & Counselling Providers

LifeWorks is a global leader in delivering technology-enabled solutions that help clients support the total wellbeing of their people and build organisational resiliency. By improving lives, we improve business.

LifeWorks employs approximately 7,000 employees who work with some 24,000 client organisations that use our services in more than 160 countries. LifeWorks is a publicly traded company on the Toronto Stock Exchange (TSX: LWRK) so you have all the aspects of working for a global brand but with a local Australian Networks team, which can provide bespoke, one on one support as you assist our clients.

LifeWorks Australia is currently the second largest Employee Assistance Program (EAP) Provider within Australia and the largest EAP Provider globally.

We are in search of experienced **EAP Providers** to join us in supporting our growing customer and client base and work with staff members from both the private and public sectors in regional New South Wales. The role will see you not only making large scale impact on everyday Australians overall well being but also an opportunity to be part of a team that provides counselling, crisis response, training, conflict resolution, career counselling, assessment and consulting services.

We are seeking motivated and experienced Psychologists, Social Workers and Counsellors with proven experience in short term, solutions-orientated interventions with the ability to provide debriefing and critical incident management services.

We are looking for providers who:

- Are passionate, caring, empathetic and driven to make a positive difference for Australians.
- Are self-motivated and can respond quickly to acutely changing situations.
- Have excellent time management skills
- Are knowledgeable, proactive, and customer centric.

We are looking for providers that have:

- At least 5 years of experience working in a short-term intervention style counselling.
- Tertiary qualifications in Behavioural Sciences (**Counsellors are required to have at least a Masters of Counselling**).
- Registration with the relevant professional body (AHPRA/AASW/PACFA/ACA).
- Minimum Professional and Public Liability Indemnity coverages.
- Ability to undertake relevant background checks with satisfactory results (Police, WWC)
- ABN or Business Entity details for invoicing.

We operate nationally through our own offices as well as the offices of our associate providers. All bookings are initiated by our clients phoning our National Contact Centre. Cases are created and referrals sent to our associate providers pending availability and location.
