### **About us**

Healthy Mind Solutions (HMS) is a multidisciplinary practice based in Shepparton, Victoria. Our focus is on providing a comprehensive healthcare service to patients of all ages who are suffering from mental illness and indicated disorders and conditions, including NDIS participants.

To support this we're extending our team of allied health clinicians, psychiatrists and nurses. We collaborate and focus on quality service, ensuring our patients have access to a wide range of complementary services from the one location, and are provided with streamlined treatment, convenience and comfort.

Our clinical director is a highly regarded and experienced psychiatrist, dedicated to using technologically advanced and evidence-based treatments to achieve improved clinical outcomes for all patients.

## The opportunity

We're seeking experienced accredited mental health social workers to join the HMS team. You'll bring a drive to achieve patient results, a flexible can-do approach and the ability to work collaboratively to achieve optimal patient outcomes.

This role provides a great deal of flexibility for the right person, including part-time and full-time options, a blend of onsite and community appointments, and telehealth consultations where clinically appropriate.

You'll join a practice with a truly patient-centred model of care, treating all patients and participants with dignity and respect, providing them with a range of solution-focused treatment options, and involving them in all decisions about their health and wellbeing.

The role includes provision of evidence-based treatment and care to patients and participants of all ages. This will include assessments, therapy and management of a range of presentations, mental disorders and conditions. You'll be well supported to provide high quality and efficient service and support, and to extend your skills, experience and knowledge, including of the latest technological treatment innovations.

Plus, at Healthy Mind Solutions it truly is a team approach. We collaborate, support one another, and strive to provide excellent service to all patients, and stakeholders. We're passionate and dedicated, and you'll have the opportunity to work, live and provide invaluable support to people in this wonderful regional community. Additionally, you'll have many opportunities to gain personal and professional rewards and satisfaction.

To find out more about this opportunity, we encourage you to [apply now!](#)

## This is you

To launch successfully into this role, you'll ideally have a minimum of 3 years' mental health social work experience. A certificate of accreditation – AMHSW - and current membership of the Australian Association of Social Workers plus professional indemnity insurance, are a must, as are a current driver's licence and your own transport.

You're a team player, working effectively with both clinical and admin colleagues, and possess great time management skills. Proficiency in the Office/Office 365 suite will also stand you in good stead, as will experience with medical software used in private practice.

We're passionate about supporting our team members' professional and personal growth. As such, you need a willingness and drive to learn and grow, plus contribute your knowledge and skills to the rest of the team.

Your excellent communication skills, empathy and responsiveness, combined with professionalism, attention to detail and an ability to prioritise and successfully organise your time, will make you an invaluable member of our team.

## Benefits include:

- An excellent remuneration & benefits package, including relocation assistance and a health/wellbeing allocation.

- Lots of opportunities to extend your clinical knowledge and skills, in a supportive and progressive private practice environment.
- Joining a fantastic team, with a comprehensive and collaborative approach to patient care.
- The satisfaction of truly making a difference in the lives of patients in regional communities.
