Purpose	<p>The Mental Health Support Worker provides support to clients, families and carers in line with Mind's Model of Recovery Oriented Practice, My Better Life model and organisational values for people with a psychosocial disability.</p> <p>Mental Health Support Workers deliver personalised support services and works collaboratively with clients to achieve their recovery goals through one-to-one support, shared supports, workshops and group work facilitation to enhance recovery, personal growth and activities of daily living.</p>
Position reports to	Team Leader
Mind classification level	SCHADS Level 2
Stream	Victoria Operations
About the service	<p>Mind operates Supported Independent Living (SIL) for people living with severe and enduring psychosocial disability some of whom may have dual disabilities. These residences are typically staffed 24/7 by suitability qualified and skilled staff.</p> <p>Funded through residents' NDIS packages, support is provided in the residential setting individually and within a group context where shared learning is seen to be beneficial to the person. Staff are required to assist in building a sense of community and take part in the co-design and co-production of various activities with residents. Services operate in the context of the local community with a focus on supporting people to achieve their My Better Life goals. Our practice is guided by Mind's Model of Recovery Oriented Practice, the Supported Independent Living model and our Dual Disability framework.</p>
Position description effective date	June 2022

Mind values the experience and contribution of people from all cultures, genders, sexualities, bodies, abilities, ages, spiritualities and backgrounds. We encourage applications from Aboriginal and Torres Strait Islander peoples, people with a lived experience of mental ill-health and recovery, people living with disability, those who identify as LGBTIQ and applicants from culturally and linguistically diverse backgrounds.
