

Contract - Trainer

Centre for Excellence in Child and Family Welfare

Job description

ABOUT US

The Centre for Excellence in Child and Family Welfare (the Centre) is Victoria's peak body for child and family services in Victoria. We advocate for the rights of children and young people to be heard, to be safe, to access education and to remain connected to family, community, and culture. We represent over 150 community service organisations, students and individuals throughout Victoria working across the continuum of child and family services, from prevention and early intervention to the provision of out-of-home care.

The Centre is a Registered Training Organisation (RTO) providing accredited and non-accredited learning and development opportunities for the child, youth and family services' workforce and allied workforces.

The Centre is a diverse and inclusive workplace, committed to the health, wellbeing and cultural safety of our staff.

ABOUT THE OPPORTUNITY

The Centre's Learning and Business Development team are responsible for delivering accredited and non-accredited L&D opportunities for adult learners- early career practitioners right through to executive leaders. We provide eLearning, dynamic online training and face to face workshops when possible.

The LBD team are seeking enthusiastic and motivated trainers and assessors, who can enhance our students' learning experience, knowledge and skills with their expertise. Excellent communication skills, the ability to engage an audience online and to present subject matter in practical ways, are important criteria for the successful candidates to demonstrate.

As a casual trainer, you will deliver online training throughout the year (with face-to-face training opportunities in the future). Successful applicants will be placed on our CFECFW panel for inclusion in the ongoing delivery of workshops for the child, youth and family service workforce and allied workforces

We are currently seeing trainers with experience on the following topics:

- Working with neurodiverse young people and young people with intellectual and developmental delays or other mental health conditions
- Sexual health/consent/sexual exploitation- particularly focused on young people living in residential care
- Preventing, de-escalating and response to Occupational Violence and Aggression, particularly in residential care and with a therapeutic care lens
- Supporting practitioners to manage their wellbeing and the wellbeing of the people they support
- Case notes and record keeping and the related professional and legal obligations
- Best Interests Case Practice Model and how this provides a foundation for best practice, good outcomes and working with children, young people, carers and their families
- Trauma Informed Practice with children, young people and families (including within Out of Home Care)
- Child Safe Standards

TAE40116 qualified with currency to deliver:

- [Minimum qualification for Victorian Residential Care workforce](#)
- [Diploma of Leadership and Management](#)

If you have other relevant knowledge and skills to build the capability of child, youth and family services', or allied workforces, we would love to hear from you!
