

Impact by 2025

WE EMPOWER PEOPLE TO **BUILD SKILLS AND PROMOTE MENTAL WELLBEING** IN SCHOOLS, WORKPLACES, AND COMMUNITIES.

We will:

- Build awareness of mental health resilience skills by engaging more than 20,000 people with our work
- Develop local capacity building by training 1,000 community leaders
- Be recognised as a sector leader by developing stronger relationships and reaching more people with our work

We are committed to being recognised as a **world leader** in the delivery of **prevention and early intervention** mental health strategies.
