

The Board of Directors of LiverWELL are committed to the development of a strategic, future focused organisation and to ensuring the organisation is sustainable, accountable, effective and responsive.

As a Board our role is to ensure that our vision, core values and culture are reflected in all of our dealings as an organisation - with each other, the LiverWELL team, our partners, government, and most importantly the diverse communities we serve.

Maximum 250 word responses per question.

1. Please outline your reasons for applying for a role on the LiverWELL Board.
2. What particular experience and qualities will you bring to the Board?
