Our approach to service delivery

Our recovery services are guided by our values and informed by our Well Together Model. This approach means we work at 3 levels, with the individual, with their families and friends and with the community. Well Together recognises that developing skills, building confidence and strengthening relationships will help people to recover and to live independently. The model provides an evidence-based approach to create individually tailored, effective recovery support packages. Wellways assists individuals to develop the capacity to manage their own wellbeing, equip family and friends with information and skills, and engage community members in support networks.

Advocacy Services

We have a strong advocacy program, informed by the lived experience of people with mental health issues or disability, their families and friends. Members of Wellways play a vital role in developing our advocacy platform. We advocate for systemic change that will create better conditions and improved opportunities across the range of services and supports we offer, including people and their families living with mental health and / or disabilities, and carers

All our recovery services and advocacy programs:

- Support and create opportunities for recovery
- Value cultural diversity
- Value peer participation and leadership (participant and carer)
- Are underpinned by evidence-based best practice
