Primary Site:	Mildura
Last updated:	July 2025

The Mental Health and Wellbeing Local Service is an integrated wellbeing and support service delivered through partnership in Mildura. Operating seven days a week with extended hours, we provide clinical support, care, and wellbeing services to people aged 26+ experiencing mental health challenges, including co-occurring substance use or addiction.

The service is community-led and co-designed by consumers, carers, and the local community. Partners include Wellways, Mildura Base Hospital, Mallee District Aboriginal Services, and Sunraysia Community Health.

Commitment to Reconciliation

The Mental Health and Wellbeing Local Service and our partners recognise that Aboriginal and Torres Strait Islander people have not always been well-served by mental health and disability organisations. Their social and emotional wellbeing has been impacted by generations of trauma, injustice and deprivation. As partner organisations, we recognise our responsibility in addressing these issues of injustice, inequality and stigma as part of ensuring our services are both welcoming and helpful for people and their families. As part of our commitment to reconciliation, we are working to create culturally aware and safe services for First Nations Community Members.

Role Purpose

Lead the ongoing operations for Mildura's Adult and Older Adult Local Mental Health and Wellbeing Service. Develop, oversee, manage, and report on daily operations and future growth of the Local Service.

This role has between 4-5 direct reports, collectively overseeing a team of 30 individuals practicing from Psychosocial, Lived Experience and Clinical disciplines.

Required Values & Behaviours

Authenticity and Integrity: Bring whole selves to work, recognising community and wellbeing belongs to all

Compassion: Commit to compassionate approach and understanding, leading with curiosity **Respectful Collaboration:** Respect different experiences and organizational views, recognizing we all have something to learn

Quality and Safety:

- Identify and report risks promptly with prevention strategies
- Take reasonable care for personal and consumer safety
- Participate in workplace health and safety initiatives
- Comply with all policies and procedures
- Maintain confidentiality per privacy legislation
- Involve consumers/carers in quality improvement activities

Excellence and Appreciation: Evidence-based work with continuous quality improvement for excellent outcomes

Commitment to Reconciliation: Work towards culturally aware and safe services for First Nations Community Members
