### Garden Care Team Leader

#### Part Time

If you would like to make a positive impact on the lives of elderly people while working for a purpose driven non-profit organisation, this position could be for you!

We are seeking a part time team leader to assist in the delivery of the Commonwealth Home Support Program (CHSP) funded home maintenance service (gardening) in the Inner West and South West Sydney.

We are seeking a friendly, reliable team member who enjoys helping elderly residents remain independent in their own homes. Applicants must have qualifications in horticulture, supervising staff/volunteers, lawn mowing experience and be physically fit.

Applications must be in writing and address the essential and desirable criteria contained within the position description. Also include a resume and details of referees. ***Please refer to the Position Description by going to our website: [Work with Us - 4Cs Website](#)***

For further information please contact Zoe Chan, Garden Care Coordinator, Canterbury City Community Centre on 9750 9344.

Applications can be forwarded in confidence to:
