

Position Description: Network Support Team Lead

Role Type:	0.4 FTE to start, increasing to 0.6 FTE in December
Location:	Melbourne (preferred)/remote (with potential travel for events)
Organisation	Tomorrow Movement (YOUNG Campaigns Ltd.)
Commences	September
Duration:	6 Months (with extension possible subject to funding)
Reports To:	National Director
Salary Range	SCHADS Award Level 3 (PP1 \$82,205.45 pro rata 0.6FTE + super)

Tomorrow Movement's Mission:

We are building a future where everyone is connected, safe and cared for. A future where we belong to strong communities who have the power to make our economy and politics work for everyone, instead of for profit.

By coming together across race and class, we challenge the ways capitalism and colonisation make us insecure by organising on our shared interests. We challenge how these systems disconnect us from ourselves, each other and the earth.

Led by young people, we are growing local networks with a commitment to care, hope and justice that can take action together in moments of crisis. We are showing that the people have power when we act together.

Role of Network Support Team Lead

This role is responsible for leading the support work for the Stronger Communities Network.

The NST lead will be responsible for creating and managing central resources, training content and communications. This important work will enable the strong, locally led community organising undertaken by the Stronger Communities Network. Support will initially be prioritised for Tomorrow Movement local teams in Wollongong, Western Sydney and Naarm/Melbourne and will be expanded to other aligned groups as the Network grows.

This role is also responsible for leading on biannual whole-movement gatherings, bringing young leaders from across the Stronger Communities Network together for in-person training, skill sharing and relationship building.

The NST Lead will always have an eye to movement DNA and will support implementation of our organising culture, structure, strategy and story.

Primary Responsibilities

- Lead on resource development to communicate movement DNA and organising skills to SCN member groups.
- Lead on designing and implementing centralised training sessions based on needs of on-the-ground organisers.
- Run the centralised Tomorrow Movement communications channels, focussed on list emails and Instagram.
- Hold responsibility for bringing together 50+ leaders from Wollongong, Naarm and Western Sydney for a whole-movement gathering in November 2026.
- Convene and coordinate the Network Support Team.
- Weave Tomorrow Movement's DNA into resources, training and all parts of national movement gatherings.
- Monitor and intervene on movement culture, ensuring we live up to our movement values.

Secondary responsibilities

- Assist in responding to emergent campaign opportunities like nationally coordinated stunts.
- Work with the rest of the Tomorrow Movement staff and volunteer teams on longer term campaign strategy and planning
- Participate in Network Council meetings
- Support with on-the-ground organising when needed.

Success metrics

- 50 people attend the whole-movement gathering in November 2026 and leave energised and inspired.
- There is a growing library of resources and training being utilised by member groups of the Stronger Communities Network.
- Member groups of the Stronger Communities Network grow in commitment to the Tomorrow Movement DNA.
- The Stronger Communities Network is growing in size.

Attributes and experience that will help you perform this role

You will be well suited to this role if you:

- Are committed to Tomorrow Movement's goal of building a future where everyone is connected, safe and cared for.
- Are familiar with community organising, creating volunteer resources and trainings.
- Are comfortable managing large projects
- Understand that you are one of a few staff members in a volunteer led movement and are committed to organising yourself out of a job
- Have previous experience as a community organiser, coach, or mentor particularly in supporting volunteer teams
- Have previous experience in running trainings and event planning
- Are a strong communicator (written and verbal)
- Are committed to your own leadership development and excited to give and receive constructive feedback
- Enjoy creative problem solving and working in teams

Please still apply if you don't meet all of the above! We are a youth led movement of people under the age of 35. We value passion and insight over professional experience and are committed to always upskilling our volunteers and staff.

To apply for the role

Please send your application to will@tomorrowmovement.com with the subject heading 'Job Application: Network Support Team lead' with the following by **31st August at Midday:**

- a copy of your CV.
- a cover letter explaining why you would be successful in this role.
 - You don't need to address all selection criteria in your cover letter. We're most interested in:
 - Why do you want to work for Tomorrow Movement
 - What's your experience in organising, training and events & volunteer leadership development
 - Which parts of the job are most exciting to you, and why

We are a proud, inclusive and multiracial movement. We strongly encourage applications from First Nations young people, people of colour, people whose first language isn't English, people from poor and working class backgrounds, queer, trans and gender diverse young people, people with a disability or mental illness.

We are committed to removing barriers to your application, so let us know if there's something we can do to make it more possible for you to apply by contacting Will at will@tomorrowmovement.com or on 0474 633 822.
