Position Details		
Position Title: Allied Health Assistant (AHA)	Department: Adult Allied Health & Chronic Disease	Agreement: Victorian Stand-Alone Community Health Services (Health and Allied Health Services, Managers and Administrative Officers) Multiple Enterprise Agreement 2022-2026
Reports To: Manager Chronic Disease Care	Location: Primary location: Doncaster Ability to work across sites including Doncaster, Greythorn, Hawthorn and Richmond dependent service demand	
Direct Reports: Nil	Employment Status: Permanent Part Time - 0.8FTE	Classification: Grade 3, with applicable experience payment allowance
Position Primary Purpose		
To deliver defined clinical care and support to adult clients under the guidance of an allied health professional, and to provide related administrative support to the Adult Allied Health and Chronic Disease team as part of a multidisciplinary service model. This may include preparation and facilitation of group activity or education sessions; prescribed 1:1 client therapy in clinic or at a client's home; document and health record management; group or consult preparation and follow up; and empowering clients to be active participants in their healthcare. As an integral part of the Adult Allied Health and Chronic Disease team, AHA's are expected to deliver high quality, safe, client-centred, evidence-based practice up to the full potential of their professional scope to clients under a variety of funding streams including, Community Health, Home and Community Care, Commonwealth Home and Support Programme, Support at Home, Medicare Benefits Scheme and Self-Funded. While AHA's may have a primary discipline focus, such as alignment with Occupational Therapy or Physiotherapy, AHA's will also support the broader multidisciplinary team including Podiatry, Dietetics, Speech Pathology, Exercise Physiology and Diabetes Services, with flex to accommodate fluctuations in service and operational demands as required. The AHA role requires excellent administrative and IT, organisational and communication skills, combined with an ability to build rapport with clients and colleagues alike. A willingness to work across Access Health & Community sites and complete outreach appointments to clients including confidence to work under remote supervision, and a commitment to improving the way health services are delivered for clients is required.
